

International Long Distance Toll Rates – By Country
 Effective March 1, 2009

International long distance calls cannot be placed without adding an international feature on your account. Restrictions apply. See store for details. To place an international call, you must dial 011, the country code and the number for the international call. International long distance rates apply in addition to plan minutes or airtime charges when calling from your home calling plan area. See your calling plan brochure for details. While roaming, international long distance rates apply in addition to standard long distance and roaming charges. Rates are subject to change without notice.
