- Corporate Executives
- Road Warriors (example sales professionals)
- SMB Leaders
- Early Adopters
- Graduate Students (example MBA student)

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops and compares it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by CNET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.

BUILT FOR PERFORMANCE

- Latest 3rd Generation Intel® Core™ processors and Turbo Boost 2.0 for greater performance
- Extraordinary visual experience with up to 100% increase in graphics performance using Intel® HD Graphics, compared to the previous generation of X1
- Lenovo® RapidBoot technology to start your computer faster
- Large SSD storage capacity up to 256GB, memory support up to 8GB¹ and 10 times fast data transfer with SuperSpeed USB 3.0

ADVANCED MEDIA AND CONNECTIVITY

- 14" HD+ display with wide viewing angle, high resolution, and high brightness
- Excellent multimedia experience in a traditional business ultraportable with Dolby® Home Theater® v4
- Improved keystroke noise suppression and new face tracking HD camera for sound audio/video conferences while being polycam ready.
- Built-in Lenovo Mobile Access for contract-free 3G and Mobile Hotspot to share wireless signal with other devices on the go²

USER EXPERIENCE ENHANCEMENTS

- Lightweight carbon-fiber in the most cool and quiet ultrabook design for mobility
- Optimized system start up and shutdown time with Lenovo Enhanced Experience 3 for Windows® 7
- The new backlit ThinkPad precision keyboard to work without eye strain in dim-lit or dark environments
- Smoother, more precise navigation experience on the new larger glass touchpad

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad investment. Succeed with substance and let Lenovo's Service support you all the way.

Priority Technical Support²

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

Warranty Upgrades - Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

Warranty Extensions (1 to 5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
