My first steps with Technology

Our Technology:
Our Focus:

My Technology Promises

I agree to:

- [ ] Take care of my belongings and my devices.
- [ ] Ask a grown-up for help if I lose something.
- [ ] Listen when my family teaches me about technology.
- [ ] Tell a grown-up if something confuses me or makes me uncomfortable.

Let's talk about it!

What things are we using our device for?

Who can help me if I lose something?

What happens if I break my technology promises?

Our Family Promise

By signing below, we agree that we will take care of our belongings and learn about technology together.

Child: _____

Parent / Guardian: _____

Date: _____

This agreement is a starting point for conversations about technology safety and responsible device use. Every family is different, so feel free to adapt these suggestions and make this agreement your own!
